No Extra Charge**

(First number is to activate the feature; the second number is to deactivate the feature)

Call Waiting		included
Call Forwarding	*72 / *73	included
Caller ID Number & Name		included
3 Way Calling		included
Speed Dial	*75	included
Anonymous Call Rejection	*77 / *87	included

### Call Forward Instructions

- Dial \*72 xxx-xxxx (local), then press pound (#)
- Dial \*72 1-xxx-xxxx (long distance forwarding), then press pound (#)
- Dial \*72 1-xxx-xxx-xxxx (out of area long distance forwarding), then press pound (#)

To Cancel Call Forwarding

\*73 # wait for a couple of seconds then hang up. May want to do a test call to make sure the call forwarding was removed.

### 3 Way Calling Instructions

Dial the first number. Have them stay on the line.

Press the flash hook.

Call the 2<sup>nd</sup> number.

After they answer, press the flash hook again.

This will bring all 3 on the same call
